1.0 Introduction

1.1 Context

The Record of Protected Structures (RPS) for protected structures within Cashel, Tipperary Town and Templemore are within the Cashel Town & Environs Town Development Plan 2009, Tipperary Town & Environs Development Plan 2013 and Templemore Town & Environs Development Plan 2012 respectively. As it is the intention of the planning authority to replace these Town Development Plans, it is necessary to include the structures currently contained within the existing Records of Protected Structures for each town into the RPS for the Tipperary County Development Plan 2022-2028. In doing so, the protected status of the structures within the towns will be maintained. Including these structures within the RPS of the Tipperary County Development Plan 2022-2028 represents 'Proposed Additions' to this RPS.

On completion of this process, all protected structures for County Tipperary will be listed within Volume 4 of the Tipperary County Development Plan 2022-2028.

1.2 Legislative Background and Requirements

Section 54 of the Act states that a Planning Authority may add or delete from its record of protected structures whilst Section 55 of the Act sets out the processes for doing so. The Planning Authority must undertake the following processes, including:

- (i) servicing notice on owners / occupiers of structures;
- (ii) send particulars of proposed additions to the responsible Minister and other prescribed bodies; and
- (iii) advertise the proposed additions in at least one newspaper within its functional area.

1.3 Public Consultation

Section 55 of the Act sets out the requirements for local authorities in undertaking public consultation. The Proposed Additions are available to view online at:

- Planning Department, Tipperary County Council, Civic Offices, Limerick Road, Nenagh, Co Tipperary, E45 A099
- Planning Department, Tipperary County Council, Civic Offices, Emmet Street, Clonmel, Co Tipperary, E91 N512.

The Proposed Additions are available to view and make observations on from 9.30am Thursday, 16th July 2026 to 4pm Monday, 31st August 2026 during normal opening hours.

Submissions or observations in respect of the proposed additions can be made in one of two ways:

1. Online via the submission form on the Council's website at <https://yoursay.tipperarycoco.ie>
2. In writing (marked clearly as "Proposed Additions to the RPS") to either of the following addresses:

- Planning Department, Tipperary County Council, Civic Offices, Limerick Road, Nenagh, Co Tipperary, E45 A099
- Planning Department, Tipperary County Council, Civic Offices, Emmet Street, Clonmel, Co Tipperary, E91 N512.

Submissions or observations must be made in writing no later than **4.00 p.m. on Monday, 31st August 2026**. Late submissions will not be accepted.

1.4 Reading this Document

Section 2 of this Document sets out each of the 'Proposed Additions'.

1.5 Next Steps

After the consultation period ends on 31st August 2026, the Planning Authority will prepare a report considering submissions and observations received, as well as any observations from the Minister. This report will be provided to Elected Members for their consideration. At the plenary meeting of the Council on 12th October 2026, the Council will decide whether the Proposed Addition(s) should be made. Within 2 weeks of the 12th October 2026, the Planning Authority must serve notice on the owner / occupier of the structure concerned of the addition to the RPS, including particulars.

2.0 Proposed Additions

The following is a list of 'Proposed Additions' to the Record of Protected Structures for the Tipperary County Development Plan 2022-2028. All structures are located within the geographic areas of the Tipperary Town and Environs Development Plan (Section 2.1), Cashel Town and Environs Development Plan (Section 2.2) or Templemore Town and Environs Development Plan (Section 2.3).
